

Antoine Clement

[1.We](#) have designed a gaming website called GameWorld.

-Our function on the website is to make gamers play and enjoy various games.

[2.We](#) have created 4 frames including:

- Homepage
- Login page
- Games
- News

[3.We](#) have elements namely:

- Search bar
- Login button
- Images
- Videos
- Website logo
- Buttons

4.The gamers are the users in our website.
